### **COURSE DESCRIPTION:**

The goal of the Active Shooter Exercise Development Workshop is to provide first responder and city, county, and state officials with the knowledge, skills and abilities to lead an Active Shooter Tabletop Exercise.

The active Shooter Exercise Development Exercise Workshop is a train-the-trainer course designed for individuals who may be responsible for developing and delivering active shooter tabletop exercises.

Past Active shooter events have proven the need for realistic exercises delivered in the community. This course will also provide template materials needed to deliver five (5) different TTXs, with one (1) of the five TTXs delivered in the afternoon of the training day.
