TRAINING ANNOUNCEMENT

COURSE TITLE: Planning for Disaster Debris Management (MGT-460)

DATE: April 17th, 2019

LOCATION: Campbell County Fire Training Center
10 Training Center Drive
Highland Heights, KY

TIME: 8:00 AM – 5:00 PM

COURSE DESCRIPTION:

This eight-hour management-level course will provide an overview of debris management and the debris management planning process. The focus of the course will be to identify debris management plan components and best planning practices using existing plan examples and case studies and to draft an outline of a debris management plan. This course will empower participants to create pre-disaster debris management plans for their own communities.

At the conclusion of this course, participants will be able to:

Explain the basic concepts of debris management operations and the benefits of debris management planning.

Outline the key components of a debris management plan.

Apply strategies for special considerations encountered during debris management operations to plan outlines.
